

6th EMSSA International Conference

hosted by Emergency Medicine Society of South Africa & Emergency Care Society of South Africa

SIMULATION WORKSHOP

PROGRAMME

Time	Topic	Speaker
07:30-08:00	Registration	
08:00-08:30	Introduction to Simulation: Panel member introduction Aims Advantages Disadvantages Learning Assessment	
08:30-09:00	Activity One: Quizlet on match the simulation terms.	Chris Stein
09:00-10:45	Assessment of Simulations: Introduction to simulation assessment and use of SATLAB assessment tool. Scoring of video-recorded simulation using SATLAB. Discussion about SATLAB, assessor bias and how to minimize this.	Andrew Makkink
10:45-11:00	Morning Tea	
11:00-12:45	Simulation for Learning: Theoretical foundations of simulation as a learning tool, and different approaches. Challenges and pitfalls in using simulation for learning. Video material illustrating above, and linkage to assessment. Discussion	Rod Campbell
12:45-12:55	Wrap-up and Close	Chris Stein
